

# Neelam Satsang Inquiry Group

A Teleconference Program

4 Week Program:  
November 27 - December 18, 2007  
Tuesdays 6PM MST

**“Here you are, Presence itself. Can you allow this?” Neelam**

Inquiry is the ability to notice what is here and the willingness to be present with everything as it is. *Satsang Inquiry Group* is a way to practice aligning with the natural flow of life in any given moment. We offer this program as an ongoing opportunity to bring Satsang and self inquiry into your daily life.

## **What's it all about?**

Over the course of 4 weeks you will be invited, guided, and supported to inquire into what takes us away from Awareness, Consciousness or what Neelam calls, Presence. The program includes: 2 Satsangs with Neelam, 2 facilitated group inquiry meetings and weekly pair inquiry sessions. Satsang with Neelam is the foundation, the group inquiry sessions support your commitment to presence and pair inquiry with a partner lets you work directly with your conditioning to see what is really going on. We will use the teachings from Satsang to explore our conditioning and as an invitation to rest in presence. All sessions will be held over the phone as a teleconference.

## **What's a teleconference inquiry group?**

In this case, it is an interactive group that meets over the phone to inquire into living presence in our moment-to-moment lives. Holding the meetings over the phone allows you to participate from anywhere in the world. Each phone session will be a blend of facilitation, inquiry, both silent and active, and sharing. Living questions will be used as a way for us to notice where the mind's attention is and invite it back to presence. Through inquiry we recognize the difference between living as a series of reactions or habits of the past, and living as a way of experiencing the fullness of the present.

## **What is the program schedule?**

Our meetings will be held on Tuesday evenings.

**Facilitated Group Sessions: Nov. 27 and Dec. 11**

**Satsangs with Neelam: Dec. 4th and 18th**

You will also be assigned a partner with whom you will inquire with throughout the program. These sessions are scheduled independently. *The Satsangs are 90 mins., group inquiry 60 mins. and pair inquiry 30-60 mins.*

*\*\*\*All scheduled sessions are held on Tuesdays at 6PM MST, (5PM PST, 7PM CST, and 8PM EST).*

## **What if I am unable to be on one of the calls?**

Commitment to the group is an important and essential part of this program. However, we realize that you may have scheduling conflicts so we will be recording each of our sessions together. Everyone will have the chance to download a recording of each of the group calls at the end of the program.

## **What is the suggested donation?**

The suggested donation is \$45-\$85. This includes 2 Satsang, 2 group inquiry sessions, guidelines for the pair inquiry, weekly emails and recordings.
